

Invest In MCEF

Invest In Your Education

Let Us Grow Together

MCEF's Mission
The purpose of the
Municipal Clerks Education
Foundation of IIMC is to
fund education, training and
research programs for the
continued professionalism
of Municipal Clerks.

Dear MCEF Supporters:

Our list of contributors continues to grow. We want to thank you for your generous contributions. The 2001 Annual Report and recognition was published late (in November 2002 News Digest). With this 2003 Annual Report, MCEF is back on track. Future reports for the yearly contributions and recognition will be published by March of the following year.

This year, we were able to add approximately \$80,000 to the MCEF Fund. Our Voluntary Contributions, Society Contributions, Corporate Contributions, Annual Walk/Run, Silent Auction and Raffles exceeded our expectations for 2002. It was a great year for MCEF and IIMC.

This year we have decided to list everyone that has contributed \$25 or more. As you can see, this is quite a list. Have fun looking for your name.

Thank you again for your support. I look forward to seeing you as I travel this year.

*Dale Barstow
MCEF President*
