MCEF's Mission

MCEF is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

Dear IIMC Members and MCEF Supporters:

I am happy to inform you that MCEF's Strategic Plan to reach its goal of raising \$1.3 million toward its endowment by year-end 2008 is on track, thanks to you—the IIMC membership. Thanks to your generous contributions this past year, the unrestricted and restricted endowment funds totaled \$803,419 as of December 31, 2004. The year-end total was \$37,419 more than our estimated year-end total of \$766,000. This increase has us excited with anticipation that we can develop and provide more education programs for IIMC members.

It has been a busy year. Before I update you on our activities, I want to inform you about the professional and personal commitment your MCEF Board of Directors brings to the table. The majority of the Board Members maintain a status of Schwarzkopf or higher (annual contributions of \$500 or more). Many of them pay their own expenses to attend the Midyear and Annual Meetings. They also volunteer throughout the year spreading MCEF's message and working on raising funds. For all their work and efforts, MCEF Board members do not receive any compensation for their time or services. As the MCEF Fund increases and new projects are introduced, extra commitments and efforts are required from the Board to carry out the Mission. The Board is comprised of members from the corporate, education, state and municipal sectors. All Board Members are proficient and completely dedicated to MCEF's Mission. At this year's Midyear Meetings, the two Boards met with MCEF updating IIMC's Board on its proposed programs, current progress and future objectives.

To help promote its message, MCEF developed a new Power Point presentation that was distributed to the IIMC Regional Directors to present at their meetings throughout the year. We also sent the same presentation to all of the State and Provincial Association Presidents to give them the opportunity to highlight MCEF during the year. This presentation demonstrates how MCEF has grown over the past several years and asks for your support to continue this progress. If you have had a chance to view the new presentation and have any questions or comments, please contact me at dale@municode.com.

The 2004 - 2005 MCEF programs and highlights include:

- Granting 19 State Institute Scholarships and Seven Master Municipal Clerk Institute Scholarships;
- Choosing four State Associations from Florida, Illinois, Tennessee and Texas for the State Grant program. These states will receive \$500 each for their approved Educational Program;
- Awarding 20 Distant Learning Scholarships;
- MCEF's annual contribution to IIMC for Educational Programs was \$27,427 of which IIMC returned \$3,400 to MCEF for State Institute Scholarships; and
- There will be approximately \$9,000 available from Restricted Endowment Funds for Individual Scholarships for State Institutes in 2005.

Thanks to you for your continued support to help MCEF reach its goals. Remember, your generosity and perseverance goes a long way in supporting your Foundation and your future Professional Education Programs.

Sincerely,

Dale Barstow
MCEF President
