

MCEF 2005 ANNUAL REPORT

Dear IIMC Members and MCEF Supporters:

During the MCEF Midyear Meeting in November 2005, the Board thoroughly reviewed the current programs in place and updated our Strategic Plan.

The current giving programs in place are:

- 1) Annual giving to IIMC in accordance to the MCEF Board Policy. This policy allows MCEF to give up to seven percent of the unrestricted funds, less inflation, to IIMC for educational programs each year. This year the amount was \$28,331.56
- 2) Scholarship programs for CMC training at your State Institute.
- 3) Scholarship program for MMC training.
- 4) Distance Education Scholarships.
- 5) State Grants (Up to four a year).

Please look for notification of these programs and apply. You can also go to the IIMC Website for additional information.

The 2006 Strategic Plan year end projections:

2004 - \$ 766,000	2006 - \$ 1,045,524	2008 - \$ 1,366,704
2005 - \$ 902,950	2007 - \$ 1,201,662	

The 2005 year end balance was \$932,000.00.

We are on course to meet our goals for 2008. With your help, we can reach these goals and at the same time establish a Foundation that will provide a steady stream of funds for the future education of IIMC Members.

The charts below depict the various ways in which MCEF derives its income and the channels in which it delivers education programs to IIMC members. The two Organizations have a symbiotic relationship with one common goal: to provide education support and programs for IIMC members.

INCOME

The Foundation collaborates with IIMC to provide the utmost in programs operating from only the interest gained, and a small percentage of the unrestricted fund basis as established by policy from the various contributions accumulated throughout the year. MCEF receives annual revenue through voluntary contributions from IIMC members, Endowments, Society Donations, Memorials and from Annual Conference events such as the Silent Auction, Walk Run, and Raffles. MCEF also receives 20 percent of all sponsorship revenue garnered by IIMC.

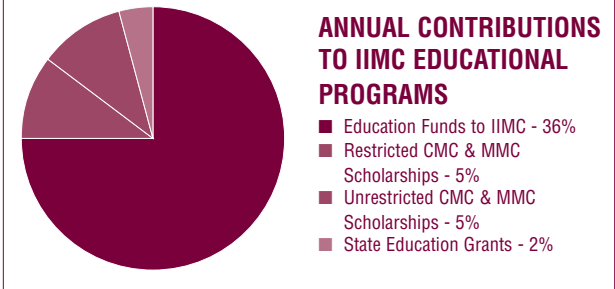

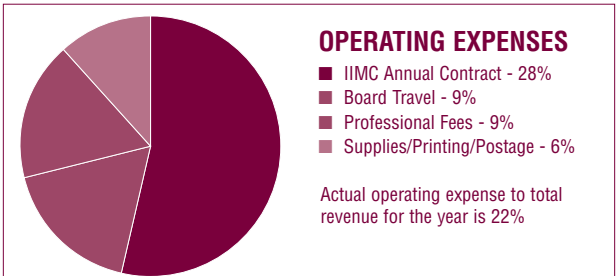

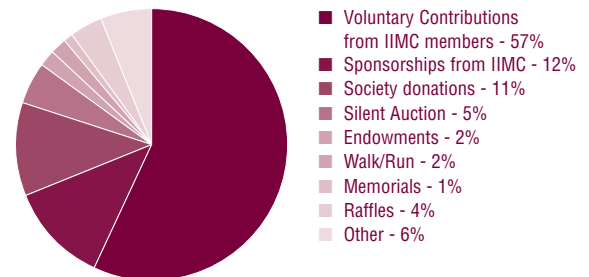

OPERATING EXPENSE/CONTRIBUTIONS TO IIMC

As part of that working relationship, an annual contract with IIMC provides the Foundation with general administrative support, development/fundraising activity, donor relations and marketing services.

MCEF, in turn, uses the interest and a small percentage of the unrestricted fund basis as established by policy to either initiate or embellish IIMC education programs. In addition to sponsoring state education grants and scholarships, MCEF contributes to Annual Conference speakers and education sessions and, in 2005, helped sponsor the distance education program and the Wyoming On-Line, On-Land Institute through the web site.

Dale Barstow
MCEF President

Let Us Grow Together

MCEF's Mission

MCEF is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.
