Let Us Grow Together

Letter from the President... Dale Barstow

The Municipal Clerks Education Foundation is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

The 2008 Municipal Clerks Education Foundation year was a very interesting year. Our Voluntary Contributions were slightly below our budgeted line item goals, Annual Giving (Endowments, Non-Endowed Scholarships Funds, Memorials and Society Donations) exceeded our budget line item by \$26,985.28, which was very good, fundraising at the annual conference (walk/run, silent auction, Hawaii raffle, etc.) was down for 2008 and our sponsorship dollars generated from our service contract with IIMC were up from budgeted amount but down from 2007. On a good note we were still able to exceed our 2008 budget by \$7,398.36 net.

In 2008 MCEF was able to contribute \$39,204.63 to IIMC educational programs. This includes our Policy 8 program, CMC and MMC Scholarships, Distance Learning Scholarships, State Grants, support of the Institute Directors Colloquium, and IIMC Annual Conference Grants.

During our 2008 midyear meeting the MCEF Board approved two fund raising programs involving IIMC members. These programs are identified as the Society Solicitation Task Force (SSTF) and the Planned Giving Task Force (PGTF). Each task force is made up of at least 10 IIMC members. The SSTF members have selected individual IIMC members and associations to contact and ask for their continued support and to consider MCEF in their future contribution plans. The PGTF members will be contacting a selected group or our current membership and retired membership to explain the program and ask them to consider MCEF in their estate planning. We are very excited about these programs and hope they will generate additional support from the IIMC membership. WE NEED YOU-Please consider volunteering in the future to help MCEF in our mission to raise funds for IIMC educational programs.

Helen Kawagoe, City Clerk of Carson, California has confirmed her commitment to MCEF of \$100,000 through our Planned Giving program. We thank Helen for her commitment to the profession and her continued support for MCEF and IIMC educational programs.

The charts on page 3 depict the various ways in which MCEF derives its income and the channels in which it delivers educational programs to IIMC members. The two Organizations have a symbiotic relationship with one common goal: to provide education support and programs for IIMC members.

We celebrate our Silver Anniversary in 2009 which marks 25 years of successful fundraising through the generosity of IIMC Members and Sponsors. It is through this support, that MCEF continues to grow its endowment which translates into more monies for IIMC's education programs.

Dale Barstow
