MCEF's Mission

MCEF is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

Dear IIMC Members and MCEF Supporters:

The Municipal Clerks Education Foundation is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

In 2009, the MCEF Board adjusted its budget anticipating the current economic times. We felt it was essential to be as accurate and realistic as possible in our forecast for the 2009 budget year. Our Voluntary Contributions for 2009 were down by 43% from 2008. Annual Giving for 2009 (Endowments, Non-Endowed Scholarships Funds, Memorials and Society Donations) was down 20% from 2008. Annual Conference (walk/run, silent auction, Hawaii raffle, etc.) fund raising for 2009 mirrored 2008 fund raising which was good. Sponsorship dollars generated from our service contract with IIMC were slightly down. We have worked to keep our expenses to a minimum using IIMC's E-Briefings and Electronic *News Digest* to notify IIMC membership about our Scholarship Programs, Annual Conference Silent Auction, On-Line Auction and other current Programs. Our Board expenses are kept to a minimum as the majority of our Board Members continue to pay their own expenses in connection with the two meetings they attend annually. We thank IIMC Board of Directors and Staff for their support in helping MCEF to meet its goals. Even with the current economic situation, our budget at the end of 2009 was at \$88,695.57 on the positive side. This compares to \$124,948.36 in 2008.

We need you, our IIMC members, both active and retired, to continue supporting MCEF to make 2010 a more productive fund raising year as we continue our Mission. In 2009, MCEF was able to contribute \$36,203.03 to IIMC's educational programs. This includes our Policy 8 program, CMC and MMC Scholarships, Distance Learning Scholarships, State Grants and support of the Institute Directors Colloquium. IIMC is using a portion of these funds to enhance the current IIMC Website to bring more educational opportunities to the membership. We ask you to please check IIMC's website/MCEF-Foundation for the appropriate applications and times to apply for the different scholarships and grants provided by MCEF.

In 2009, MCEF continued its efforts on its two most recent fund raising programs involving IIMC members. These programs are identified as the Society Solicitation Task Force (SSTF) and the Planned Giving Task Force (PGTF). Each task force is made up of at least 10 IIMC members. The SSTF members have selected individual IIMC members and associations to contact and ask for their continued support and to consider MCEF in their future contribution plans. The PGTF members will be contacting a selected group of our current and retired membership to explain the program and ask them to consider MCEF in their estate planning. We continue to be excited about these programs and hope they will generate additional support from the IIMC membership. WE NEED YOU!! Please consider volunteering in the future to help MCEF in its mission to raise funds for IIMC educational programs.

The charts below depict the various ways in which MCEF derives its income and the channels in which it delivers educational programs to IIMC members. The two Organizations have a symbiotic relationship with one common goal -- to provide education support and programs for IIMC members.

Please consider MCEF when renewing your IIMC membership. This is one of the many ways you can support MCEF as it continues to grow its endowment which translates into more monies for IIMC's education programs.

Thank you.

Dale Barstow, *MCEF President*
