Message from the President

The Municipal Clerks Education Foundation is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

Despite the economic conditions that have been severely felt by IIMC members in the past few years, MCEF's 2010 financial year-end figures were several thousand dollars ahead of 2009 year-end. Although MCEF ended its year in the positive, its overall contributions have lagged considerably from past years.

We have been careful to adjust our revenue and expense expectations to the current economical times. Our Voluntary Contributions for 2010 were below 2009 and 44 percent below 2008. Annual Giving for 2010 (Endowments, Non-Endowed Scholarships Funds, Memorials and Society Donations) was 5 percent less than what we generated in 2009. Annual conference (online auction, walk/run, silent auction, Hawaii raffle, etc.) fund raising for 2010 fared slightly better reaching 6 percent above 2009 fund raising efforts, a noticeable improvement. Sponsorship dollars generated from our IIMC service contract realized an approximate 25 percent increase from 2009, which is excellent considering the economy. We continue to keep our expenses to a minimum using IIMC's E-Briefings and *Electronic News Digest* to notify IIMC members about our Scholarship Programs, IIMC's Annual Conference Silent Auction and other current Programs. Our Board expenses are kept to a minimum as the majority of our Board Members continue to pay their own expenses in connection with the two meetings they attend annually. We thank the IIMC Board of Directors and Staff for their support in helping MCEF meet its goals. We netted \$91,239.36 at the end of 2010 compared to \$88,695.57 in 2009. Both of these years are down from previous years.

We need you, our IIMC members, both active and retired, to continue supporting MCEF to make 2011 a more productive fund raising year as we continue our Mission. In 2010 MCEF was able to contribute \$55,440.00 to IIMC's educational programs. This includes our Policy 8 program, CMC and MMC Scholarships, Distance Learning Scholarships, State Grants and support of the Institute Directors Colloquium. This can be contributed to two areas: our members believe in MCEF's mission and their continuous giving; and MCEF's diligence in growing the Foundation. In addition to ongoing educational programs, IIMC used a portion of these funds to enhance the current IIMC Website to bring more educational opportunities to the membership. We ask you to please check IIMC's website/MCEF-Foundation for the appropriate applications and times to apply for the different MCEF scholarships and grants.

MCEF continues to thoroughly promote its Hawaii raffle to the full membership. By doing this we were able to double our donations from this annual raffle in 2010. While attending your state meetings this year, be on the lookout for the opportunity to purchase Hawaii Raffle tickets. This has been a great fundraiser for MCEF. Please remember our annual Silent Auction and raffles in Nashville this year. We welcome all contribution and your participation in these events.

The charts below depict the various ways in which MCEF derives its income and the channels in which it delivers educational programs to IIMC members. The two Organizations have a symbiotic relationship with one common goal: to provide education support and programs for IIMC members.

Please consider MCEF when renewing your IIMC membership. This is one of the many ways you can support MCEF to continue to grow its endowment, which translates into more monies for IIMC's education programs.

Sincerely,

Dale Barstow, *MCEF President*
