## MCEF's Mission

*MCEF is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.*

# Message from the President

The Municipal Clerks Education Foundation is a diverse team of volunteers who are passionately committed to raising endowed dollars whose earnings help IIMC pursue its educational objectives.

Throughout the years, MCEF has always relied on IIMC members for contributing to and supporting the Foundation's fundraising efforts. For this, we thank you. Your contributions are a testament to our mission and, in turn, provide continuing support toward the educational needs of the IIMC membership. We thank you again for your commitment to achieve this most important mission.

In a nutshell, the monies that MCEF raises annually are directly applicable to education programs. That is why it is so important to give to your Foundation.

One of the easiest ways any member can contribute to the Foundation is through Voluntary Contributions. This category is found on every IIMC membership renewal statement. The recommended contribution is \$25.00; however, this amount can be whatever you feel comfortable giving. We leave that up to you for we certainly appreciate any contribution in this regard. Our Voluntary Contributions have continued to decline since 2009. We are counting on YOU to help us turn this around.

Additional Levels of Giving are also encouraged and include individual Society Levels of Giving, Endowments, Memorials and Tributes. These different Levels of Giving play a major roll in helping us grow the Foundation.

Special Events revenue (walk/run, silent auction, Hawaii, online auction and other Fundraisers) for 2011 held at the annual meeting in May was up from 2010. We sincerely thank the membership for participating and hope you will continue to participate in the future. Our Online Auction raised more than \$950 this year. Donations for our auctions remain a challenge. These donations play a major roll in our fund raising efforts.

The good news regarding our sponsorship programs is that in spite of a poor economy, sponsors continue to support IIMC and MCEF. Sponsorship revenue also goes toward education programs. We thank our Sponsors and appreciate their donations and support throughout these years.

In 2011 we reached out to our retirees and long time members with information on our Plan Giving program. This program was designed to provide our long time members an opportunity to be remembered and to continue their support of MCEF/IIMC Educational Programs. Special thanks go out to this group of dedicated IIMC members.

We have worked hard to control our expenses over the years. Our MCEF Board Members volunteer their time and have helped manage administrative cost by helping with travel and operational expenses, whenever possible. Special thanks go out to your IIMC Board and Staff for their continued support of MCEF fundraising programs and for using their own fund raising events to raise dollars for the Foundation. I have participated in some live auctions at the midyear Board meetings that have been rewarding and fun.

In 2011, MCEF managed and provided \$60,228.71 for IIMC's educational programs. These funds include our returns recognized from Unrestricted Funds and Restricted Endowment Funds and were used for Special IIMC Educational Programs, CMC and MMC Scholarships, Distance Learning Scholarships, State Grants and support of the Institute Directors Colloquium. This can be contributed to two areas: our members believe in MCEF's mission and their continuous giving; and MCEF's diligence in growing the Foundation.

MCEF continues to promote its Hawaii fundraiser to the full membership (IIMC.com). By doing this we have been able to double our donations for this activity. While attending your state meetings this year, be on the lookout for the opportunity to participate in the Hawaii fundraiser. This has been a great benefit for MCEF and a fantastic reward. Please remember our annual Silent Auction in Portland this year. We welcome all contributions and your participation in these events.

The charts on the next page depict the various ways in which MCEF derives its income and the channels in which it delivers educational programs to IIMC members. The two Organizations have a symbiotic relationship with one common goal: to provide education support and programs for IIMC members.

Please consider MCEF when renewing your IIMC membership. This is one of the many ways you can support MCEF to continue to grow its endowment, which translates into more monies for IIMC's Educational Programs.

Sincerely,

Dale Barstow, MCEF President
